WOMAN'S GENTLE NATURE CALLS FOR GENTLE TREATMENT

Delicately formed and gently reared, women will find, in all the seasons of their lives, as maidens, wives, or mothers, that the one simple, wholesome remedy which acts gently and pleasantly and naturally, and which may be used with truly beneficial effects, under any conditions, when the system needs a laxative, is—Syrup of Figs. It is well known to be a simple combination of the laxative and carminative principles of plants with pleasant, aromatic liquids, which are agreeable and refreshing to the taste and acceptable to the system when its gentle cleansing is desired.

Many of the ills from which women suffer are of a transient nature and do not come from any organic trouble and it is pleasant to know that they yield so promptly to the beneficial effects of Syrup of Figs, but when anything more than a laxative is needed it is best to consult the family physician and to avoid the old-time cathartics and loudly advertised nostrums of the present day. When one needs only to remove the strain, the torpor, the congestion, or similar ills, which attend upon a constipated condition of the system, use the true and gentle remedy—Syrup of Figs—and enjoy freedom from the depression, the aches and pains, colds and headaches, which are due to inactivity of the bowels.

Only those who buy the genuine Syrup of Figs can hope to get its beneficial effects and as a guarantee of the excellence of the remedy the full name of the company—California Fig Syrup Co.—is printed on the front of every package and without it any preparation offered as Syrup of Figs is fraudulent and should be declined. To those who know the quality of this excellent laxative, the offer of any substitute, when Syrup of Figs is called for, is always rejected by a transfer of patronage to some first-class drug establishment, where they do not recommend, nor sell false brands, nor imitation remedies. The genuine article may be bought of all reliable druggists everywhere at 50 cents per bottle.

CALIFORNIA FIG SYRUP
